Saturday Prayer

Saturdays 8-9am

*Join us in the Upper Room
for this special time to
pray for our church
and for others.*

Leaders of Organisations - Please could you contact the Church Office with recommencement dates and other significant dates for the Church Diary for the year ahead.
Thank you.

Please pray for the Sylheti Bible translation team in South Asia:

The team is down to just one translator. Ask God to provide faithful and trainable co-workers to help in reviewing and testing.

Praise God that the first five books of the Bible have now been drafted. Pray for the process of final review and checking, especially for Numbers and Leviticus.

Summer camps in Slovakia

For many children, camps are the highlight of the summer. The Slavic Gospel Association supports a number of camps in several Eastern European countries and Central Asia. Thank you for making this ministry possible.

This summer, many Ukrainian children are taking part in camps organised by a group of churches in Slovakia. There are also two camps intended solely for Ukrainian children.

Pray that they would be a means of healing and that hope will be refreshed in the hearts and lives of these children, many of whom have had traumatic experiences.

Some prayer requests from Panama:

- Pray for the work making the Bible accessible to people with visual disabilities.
- Pray for the work supporting the local church and the Christian community.

A message from LMI (our speakers at Youth Week): LMI prays that all the fantastic young people and leaders that Matthew, Alison & Alan met at Youth Week have been blessed, challenged and encouraged. It was a joy to be involved at Youth Week and they are very grateful for the opportunity to come along to speak to our young people here.

Do you recollect this framed picture? If so, please come and tell Rosalind about it. It was found during renovations at 11 St. Bride's Street.

The new property owner retrieved it and kindly brought it back to our church.

The picture is in the vestibule for you to have a look at.
