## Reintroduction of an offering during church services on Sunday 2<sup>nd</sup> June.

The opportunity to make an offering during our church services was suspended during the COVID-19 pandemic.

Commencing Sunday 2<sup>nd</sup> June, a collective act of offering using offering plates will be reinstated as part of our church services. It is important to give thanks to God for all offerings received and to dedicate our offerings to the work of God in this place.

It is fully understood that many people give regularly by means other than envelopes. If you don't use envelopes, just pass the offering plate on. For those who give by direct banking methods, remember that you also have a small set of envelopes and you may wish to use one of these occasionally.

FAITHFUL IN PRAYER.' ROMANS 12:12**
