Sorry you are leaving!

Rachael Keaveney is starting a PGCE course at Queens in September. Her last Sunday with us will be 4th August.

There will be an opportunity to give a gift to Rachael by envelopes in the pews.

We are so grateful for all that God has done through Rachael and pray that God would continue leading her in all that lies ahead!

Ladies, our next walk is planned for Monday 10th June

Walks - Board Games - Tea & Coffee

***Come along and have some fun and fellowship with other ladies.
And don't forget our Treasure Hunt on Monday 24th June!***

Look at the wonderful work of our Needle & Natter ladies and friends.

A special thank you to others who knitted, crocheted and made patchwork quilts.

Everything has been delivered to the Royal Maternity Hospital.

June 2024

Edwin and Anne Kibathi relocated to London from the Presbyterian Church of East Africa in Kenya in 2006 to reach out to the large East African expatriate community in the UK and begin a church planting ministry.

The church plant was established in the Stratford area of East London and has continued to grow. The congregation has over 100 adult members, with many more children and young people attending. They meet for worship services every Sunday afternoon in East London and offer a warm welcome to newcomers and visitors. In addition, the congregation has a Women's Guild, Men's Fellowship, Sunday School and youth group, each of which takes an active part in the church services during the year.

In recent years, two PCEA fellowship groups have started in Luton and Reading, with East African expats gathering on Sundays for worship and teaching. Edwin and Anne also engage with the wider East African expatriate community in the UK and seek to support people pastorally.

Summer Kids Crew

We need 2 leaders per week to cover Kids Crew in the Summer. If you are available please sign up on the noticeboard outside the kitchen or speak to Rachael!
