Providing Christian Literature in areas of need

Many thanks to Brian Smyth who has faithfully delivered boxes of Christian books and Bibles on our behalf over the years.

Brian would dearly like to hand the baton over to another willing volunteer(s).

Books are gathered in the church office and delivered to The Haven in Templepatrick when there is a manageable load. It's not a big job but it's important. If you could help occasionally, please contact the church office or speak to Brian who would be happy to explain the details. Thank you.

Trip to The Revival Movement Printing Works Monday 1st September in the evening

Our Mission Focus team is organising a trip to the printing works in Dromore on the evening of Monday 1st September when the evenings are still light.

Everyone is welcome and we'd really love you to come.

If interested, please sign the sheet in the vestibule or speak to Drew, Sharon, Margaret or Rosalind for further details. Some of us have been before and say it's a fantastic, worthwhile trip. Please join us! We'd love to be able to organise a coach-load of us.

Following the statement on reconfiguration made to the congregation by Rev Mark Russell, a helpful article about reconfiguration is attached to this email, and a web link to further information about reconfiguration is included below. Printed copies of the article are available in the vestibule.
