First Aiders - if you'd like to renew your Certified First Aid qualification, or do the course for the first time, please contact the church office. We hope to organise it here in the church. It is recommended that each organisation has a first aider.

Walking For All is a Mid & East Antrim program aimed at improving wellbeing through short, friendly, accessible weekly walks.

As a church, we are encouraged to see this as another avenue of support for local communities, offering welcoming opportunities for people to get outdoors, meet others and experience the benefits of regular social connection.

If you're interested in starting a walking group, please speak to Cecil.

Safeguarding Survey

In agreement with the Charity Commission for Northern Ireland, INEQE Safeguarding Group has been commissioned by the Presbyterian Church in Ireland to conduct an Independent Review of its governance framework and safeguarding arrangements.

INEQE wants to hear your views!

Listening to and learning from individuals involved in the life, work and ministry of our church is an important element of this.

There are a number of online surveys depending on your relationship with the Church and you are asked to complete all the surveys that are relevant to you.

All contributions are anonymous, will be treated confidentially, and are submitted directly to INEQE (not to PCI).

If you wish to take part then please click on the link below.
Closes 21st September.
