Walking For All is a Mid & East Antrim program aimed at improving wellbeing through short, friendly, accessible weekly walks.

As a church, we are encouraged to see this as another avenue of support for local communities, offering welcoming opportunities for people to get outdoors, meet others and experience the benefits of regular social connection. If you're interested in starting a walking group, please speak to Cecil.

Mission Focus

We are looking forward to our first Mission Focus evening of this session and warmly invite you all to come along to the Upper Room at 7pm on Sunday 13th September to hear Heather from The Bible Society.

Our meetings last just an hour and are wonderfully full of information about spreading the gospel at home and abroad.

Safeguarding Training

The next Safeguarding Training within our Presbytery is:

1st Larne – Monday 7th September at 7.30pm

or

Woodlands – Tuesday 13th October at 7.30pm

The process for booking your spot has now changed.

We cannot provide a sign-up sheet anymore.

Those attending must book their own spot via

Eventbrite on the PCI website.

Here is the link:

<https://presbyterianireland.org/safeguarding>

All leaders and helpers must train every three years. If you're unsure of your last training date, please contact the church office.

If you attend training you must let Jennifer or Rosalind know so that we can update our records. Thank you.

Safeguarding Survey

In agreement with the Charity Commission for NI, INEQE Safeguarding Group has been commissioned by PCI to conduct an Independent Review of its governance framework and safeguarding arrangements.

INEQE wants to hear your views!

Listening to and learning from individuals involved in the life, work and ministry of our church is an important element of this.

There are a number of online surveys depending on your relationship with the Church and you are asked to complete all the surveys that are relevant to you. All contributions are anonymous, will be treated confidentially, and are submitted directly to INEQE (not to PCI).

If you wish to take part then please click on the link below.

Closes 21st September.
